

# Deer Park High School 2019 Baseball Media Guide Business Ads

*Attention Baseball Fans and Patrons*

The Deer Park High School Baseball Booster Club is preparing a media guide that will be distributed at Deer Park High School home baseball games. We are offering local businesses the opportunity to advertise in this guide and make their businesses known to local and out of town guests at Jim Kethan Field. A variety of options are available to fit your unique message and budget. Proceeds from this endeavor will enhance the Booster Club's scholarship fund and help support the Deer Park Baseball program. **Deadline for submission is Saturday, Feb 16th.**
